## THE PHYSICIANS

### H. Craig Price, MD

Dr. Price, a native of eastern North Carolina, completed his undergraduate and medical school studies at UNC Chapel Hill, where he was a Morehead Scholar and Fellow. His postgraduate surgical and otolaryngology training were completed at the UNC hospitals. He also participated in a year-long Head & Neck Oncology Fellowship there and remains on the clinical faculty at UNC Chapel Hill as a clinical instructor. Dr. Price is Board Certified by the American Board of Otolaryngology,

and is a Fellow of the American Academy of Otolaryngology. He is past President of the North Carolina Society of Otolaryngology. He has specialty training in Pediatric Airway Disorders and also has special interest in ear surgery, and thyroid and other neck surgeries as well. In general, he enjoys all aspects of both pediatric and adult Ear, Nose & Throat disorders, and sees every type of problem associated with these.

### Stanley A. Wilkins, Jr., MD

Dr. Wilkins completed his undergraduate studies in Engineering at N.C. State University and a Master's Degree from UNC-CH in Bio-medical Engineering. Dr. Wilkins completed medical school training at the University of North Carolina in 1982. He completed his residency in Otolaryngology - Head and Neck Surgery at the Greater Baltimore Medical Center and Johns Hopkins Hospital. Dr. Wilkins is Board Certified by the American Academy of Otolaryngology.

### R. Glen Medders, MD, FACS

Dr. Medders completed his undergraduate and medical school studies at the University of North Carolina at Chapel Hill in 1984. He completed his residency in Otolaryngology - Head and Neck Surgery at the Johns Hopkins Hospital. Dr. Medders is a fellow of the American College of Surgeons and is Board Certified by the American Academy of Otolaryngology.

### Mark S. Brown, MD, FACS

Dr. Brown completed his undergraduate studies at Washington University in St. Louis. He completed medical school at Johns Hopkins University School of Medicine. He then completed two years of General Surgery Residency and four years of Otolaryngology Head and Neck Surgery Residency at the Johns Hopkins Hospital. Prior to coming to Raleigh in 1992, he served as Instructor of Surgery in the Department of Otolaryngology Head and Neck Surgery at Johns

Hopkins. Dr. Brown is a Fellow of the American College of Surgeons, a Fellow of the American Academy of Otolaryngology, Head and Neck Surgery, and is Board Certified by the American Board of Otolaryngology. Dr. Brown specializes in all areas of Ear, Nose and Throat medicine and surgery, including Pediatric and Adult problems of the ears, nose, sinuses, allergies, tumors of the face and neck, thyroid surgery, and throat and voice disorders. He particularly enjoys ear surgery, Pediatric ENT, and counseling both adult patients and parents about their ENT problems.

### David A. Clark, MD, FACS

Dr. Clark completed his undergraduate and medical school studies at the University of Virginia. He received his otolaryngology training at the University of Virginia Medical Center. Dr. Clark was an assistant professor of surgery at the National Naval Medical Center in Bethesda before completing a fellowship in facial plastic surgery at Tampa General Hospital. Dr. Clark is board certified by the American Board of Facial Plastic and Reconstructive Surgery. Dr. Clark is a fellow of

the American College of Surgeons and is Board Certified by the American Academy of Otolaryngology.

### Steven H. Dennis, MD

Dr. Dennis graduated from Duke University in 1977 and received his MD from UNC-Chapel Hill in 1981. He completed his Otolaryngology Residency at the University of South Florida in Tampa in 1986. After practicing medicine for six years in his hometown of Henderson, NC he moved to Raleigh in 1992. Dr. Dennis is board certified by the American Board of Otolaryngology and is a Fellow of the American Academy of Otolaryngology Head and Neck Surgery.

### Jeevan B. Ramakrishnan, MD

Dr. Ramakrishnan is the newest physician to our practice. He completed his medical school training at the University of Texas-Houston and his Otolaryngology Residency at the University of Arkansas for Medical Sciences. He then went on to complete a fellowship in advanced rhinology, allergy, and minimally invasive skull base surgery at the University of Pittsburgh. He specializes in the comprehensive management of nasal and sinus disorders, including nasal obstruction,

allergies, chronic sinusitis and nasal polyps, primary and revision sinus surgery, and skull base disorders. Click on the link for a full description of Sinonasal services provided. Dr. Ramakrishnan also has expertise in minimally invasive thyroid and parathyroid surgery, and his practice includes all aspects of adult and pediatric ENT. He is board certified by the American Board of Otolaryngology and is a member of the American Rhinologic Society and the American Academy of Otolaryngic Allergy. He was born and raised in Texas, and now resides in Raleigh with his wife and two children.

## AUDIOLOGISTS

Our audiologists have achieved either a Masters or a Doctor of Audiology (Au.D.) degree. All of our audiologists are certified by the North Carolina Board of Examiners for Speech and Language Pathologists and Audiologists as well as the North Carolina State Hearing Aid Dealers and Fitters Board. The audiologists are members of the American Speech-Language-Hearing Association (ASHA) and/or the American Academy of Audiology (AAA). The credentials after their names represent the two leading professional organizations for audiologists. Members of ASHA are credentialed with the Certificate of Clinical Competence in Audiology (CCC-A). AAA members are known as the Fellows of the American Academy of Audiology (F-AAA). Both organizations are internationally recognized to represent a level of excellence and the audiologists are expected to uphold these standards and abide by the Code of Ethics.

### Kris Bryant-Hutson, AuD

In 1990 Kris received her B.A. in Communication with a Minor in English from North Carolina State University. In 1993 she received her M.S. in Audiology from the University of North Carolina at Chapel Hill. In 2010 Kris graduated from Salus University with the professional degree of Doctor of Audiology. She is licensed by the NC Board of Examiners for Speech and Language Pathologists and Audiologists and the NC State Hearing Aid Dealers and Fitters Board, is a Fellow of the American Academy of Audiology and has the Certificate of Clinical Competence issued by the American Speech-Language-Hearing Association.

### Melanie Corgill-Cox, MS, CCC-A-SLP

Melanie Corgill-Cox completed her undergraduate studies at the University of South Alabama in Mobile, Alabama. She continued her education at the University and completed her Master of Science in Speech and Hearing Sciences in March 1989. Melanie has dual certification and licensure in the fields of Audiology and Speech/Language Pathology. She has practiced Speech Pathology and provided assessment and direct intervention services since June 1987. Melanie has been practicing Audiology and dispensing hearing aids since March 1989.

### Pauline Fennimore, MS, CCC-A

Pauline Fennimore received her undergraduate degree from Fordham University and her Masters in Audiology from the University of North Carolina at Chapel Hill. She has been a member of the American Speech and Hearing Association since 1979.

### Cheryl Medley, MA, CCC-A

Cheryl Medley completed her undergraduate studies at the Louisiana Tech University. She received her Masters of Arts in Audiology from the University of Texas at Austin, Go Longhorns, in August of 2000. She has been practicing audiology and dispensing hearing aids since 2000. She recently moved to the Raleigh area from High Point with her husband Rob and her little boy Drew.

### E. Catherine Burt, AuD

Catherine Burt joined our practice in 2007. She completed her undergraduate degree at Meredith College in Raleigh, NC. Catherine received Doctor of Audiology degree from Vanderbilt University in Nashville, TN. She finished her externship in the Department of Speech and Hearing at UNC-Greensboro. She is a member of the American Academy of Audiology and the American Speech-Language-Hearing Association. As a native of Raleigh, Catherine is glad to be back at home in Raleigh.

### Jennifer Wus, AuD

Jennifer Wus earned a Bachelor of Science degree in Speech Pathology and Audiology from East Stroudsburg University of Pennsylvania in 2002. She received her doctoral degree in Audiology in 2007 from Bloomsburg University of Pennsylvania. Jennifer completed her residency with an otolaryngology practice in Allentown, Pennsylvania. She is a Fellow of the American Academy of Audiology and a member of the American Speech, Language, and Hearing Association. She is licensed by the NC Board of Examiners for Speech and Language Pathologists and Audiologists, as well as the NC State Hearing Aid Dealers and Fitters Board.

### Lisa R. Afton, AuD

Lisa Afton completed her Bachelors of Science degree in Speech-Language Pathology and Audiology with a minor in Family Studies in 2004 at Andrews University in Berrien Springs, Michigan. She continued her education at the University of Cincinnati in Cincinnati, OH and earned her Doctorate of Audiology (Au.D.) degree in 2008. She and her husband moved to the Raleigh area in 2010. Lisa is licensed by the NC Board of Examiners for Speech and Language Pathologists and Audiologists and the NC State Hearing Aid Dealers and Fitters Board. She is also a fellow of the American Academy of Audiology.

## SPEECH-LANGUAGE PATHOLOGISTS

### Melanie Corgill-Cox, MS, CCC-A-SLP

Melanie Corgill-Cox completed her undergraduate studies at the University of South Alabama in Mobile, Alabama. She continued her education at the University and completed her Master of Science in Speech and Hearing Sciences in March 1989. Melanie has dual certification and licensure in the fields of Audiology and Speech/Language Pathology. She has practiced Speech Pathology and provided assessment and direct intervention services since June 1987.

### Jennifer DiNunzio, MA, CCC-SLP

Jennifer DiNunzio completed her undergraduate studies at Appalachian State University in Boone, North Carolina in May 1989. She attended Temple University and received her Masters in Speech Language and Hearing Sciences in May 1992. Jennifer is certified in Speech Language Pathology with the American Speech/Language and Hearing Association as well as the North Carolina State Board of Examiners.

## Capitol ENT SERVICES

### Pediatric Otolaryngology

(Pediatric Ear, Nose and Throat Specialists)

All of our Physicians, are fully trained and Board Certified for treating Medical and Surgical pediatric ENT conditions. A significant portion of each doctor's five to six years of Specialty Training (beyond medical school) was devoted to Pediatric patients. Currently a high percentage of our patients are pediatric patients. Our office is the only one in Wake County that offers all aspects of Pediatric ENT evaluation and treatment, including:

- Medical Pediatric ENT evaluation and treatment.
- Surgical Pediatric ENT treatment.
- Speech Evaluation and treatment.
- All techniques of hearing testing for infants and children

Our audiologists also run the Rex Hospital Newborn Hearing Screening Program.

### Adult Services

All Physicians at Capitol ENT are Board Certified by the American Academy of Otolaryngology-Head and Neck Surgery. Below is a partial list of the services which we provide.

- Sinus Disease and Surgery (including Balloon Sinuplasty)
- Allergy Diagnostic services and Treatment
- Deviated Nasal Septum and other Nasal Surgery
- Sleep Apnea and Snoring
- Tonsil and Adenoid conditions and surgery
- Ear disease and surgery
- Ear Drum repair
- Thyroid and Parathyroid surgery
- Video Stroboscopy for voice abnormalities
- Vocal cord conditions
- Diagnosis and Treatment of Head and Neck Cancers

### Facial Plastic & Reconstructive Surgery

Services Offered:

- Post-Traumatic
- Nasal valve Repairs
- Reconstructive
  - A Bi-Lobe Flap
  - Nasolabial Flaps
  - A Forehead Flap
  - Full Thickness Skin Grafting
- Cosmetic Procedures
- Rhinoplasty
- Blepharoplasty (Eyelids)
- Otoplasty
- Chin Implants
- Dermabrasion

### Audiology Services

Capitol Ear, Nose & Throat's Audiologists provide comprehensive diagnostic services for all segments of the population, infant through geriatric. Our Audiologists licensed by the North Carolina Audiology and Hearing Aid boards.

Audiology Services Include:

- Diagnostic Hearing Evaluations
  - Hearing Loss Website Links
- Hearing in Children
  - Infant Hearing
  - Otoacoustic Emissions
- (Central) Auditory Processing Evaluations
  - (C)AP Information
- Benign Paroxysmal Positional Vertigo
  - What is Benign Paroxysmal Positional Vertigo (BPPV)
  - Instructions following Treatment
- Electronystagmography (ENG)
  - Information with Test Instructions
- Auditory Brainstem Response in Adults
  - Information with Test Instructions
- Auditory Brainstem Response in Children
  - Sleep Deprived

### Hearing Aid Services

In addition to comprehensive diagnostic hearing evaluations, Capitol Ear, Nose & Throat's audiology department provides a full range of hearing aid services.

Hearing Aid Services Include:

- Hearing Aid Technology
- Hearing Aid Services (Battery Club, Repairs, Loaner Hearing Aids)
- Hearing Aid Fitting Policies and Procedures
- Assistive Listening Devices
- Communication Tips for the Hard of Hearing
- Tips for the Family of Someone with a Hearing Loss
- "Why can I hear but have trouble understanding?" (C. Berlin)
- Hearing Aid Manufacturer Website Links
- Frequently Asked Questions (FAQ)

### Allergy Department Testing and treatment for upper airways allergies

Many times it can be difficult for a patient to know whether a problem with the sinuses is caused by allergy, infection, a structural problem or some combination of these. An ENT Physician is trained to help sort this out, and then treat the causes.

### Speech Services Evaluation and therapy

Capitol Ear, Nose & Throat's Speech-Language Pathologists provide a full range of diagnostic and rehabilitative services. Our Speech-Language Pathologists are licensed and certified by the American Speech-Language and Hearing Association, as well as the North Carolina Board of Examiners for Speech-Language Pathology.
